Want To Ride With Your Friends?

Group lessons are a great way to get extra ride time, and they are lots of fun! We are now scheduling group lessons of 3-4 students-rider experience is needed at the trot. Please contact your instructor to set up your lesson!

Release Form Update

Highland Riding requests that each rider/parent of rider fills out our newly updated liability and medical release forms, so that we have your most current information. New releases are located in the office; please fill one out next time you come to the barn and give it to your instructor!

Foxy Says

Dear Foxy,
When I went to the tack room to get your girth, I noticed that it was much shorter than Pam's girth. Why?

Yours Truly,
Wondering Rider

*Dear Rider,
My girth is called a dressage girth, made to fit my dressage saddle, which has longer billets than a jumping saddle like Pam's. So even though my girth looks very short, it fits me just right!*

*Sincerely,
Foxy*
