Foxy Says

Dear Foxy,

The last time I rode you in my lesson, my clothes were covered in white hair after I groomed you. Why is all of your hair falling out?

Yours Truly, Spring Rider

Dear Rider,

During the cold winter, I have a long, thick coat to keep me warm. Now that the weather is getting warmer, I am shedding so that I can have a short, sleek coat to keep me cool this summer. By spending a few extra minutes using your curry comb, you can help me finish shedding a little bit quicker!

Thanks for asking, Foxy
