Fall II 2009

## Fall II Session

Fall II will run from October 19-December 12, 2009. Rates remain at 8 lessons/\$400 or 7 lessons/\$350 for a discounted rate of \$50 per lesson. Individually scheduled lessons remain at \$55 per lesson, prepaid. Highland Riding will be closed on Thursday November 26 for Thanksgiving. Students scheduled to ride on this date will be able to reschedule their lesson to a different day for that given week. If you have any questions regarding scheduling, feel free to call Highland Riding, or talk to your instructor at your next lesson!

## Dressage Instruction by Sarah Vernlund

Sarah Vernlund will be offering dressage lessons on Tuesday, Wednesday and Thursday mornings. A private lesson with a school horse will be \$65 in cost. Please call Highland Riding for available times.

## Highland Riding T-Shirts

Highland is now offering T-shirts featuring our new logo, available for purchase in the office. Shirts are \$15 in cost, and sample sizes are available. Please see your instructor for an order form if you would like to purchase a shirt and show your Highland pride!

## Adirondack Chairs : )

Here at Highland Riding, we strive to create an environment where students and their families can enjoy horses and a rural atmosphere. Two white Adirondack chairs are located underneath the pepper tree, and can be enjoyed while watching lessons or just reading a book.

## Highland Riding Cancellation Policy

Students are permitted to reschedule one lesson per session when a 24 hour notice of cancellation is given. Any additional cancellations will result in the forfeit of that lesson unless the slot can be filled, as instructors are guaranteed payment for each lesson scheduled. At least 24 hours notice allows for the possible filling of the lesson slot. Unfortunately there will be no exceptions made.

## Foxy Says

Dear Foxy,  
How do I get your bridle off?  
Yours Truly,  
Wondering Student

*Dear Student,  
When you take my bridle off, make sure that you only unbuckle the two buckles that go underneath my head (the throatlatch and the noseband). Then pull the bridle over my ears and wait for me to open my mouth before slowly removing the bit. Then slide the halter over my nose, buckle behind my ears, remove the reins from around my neck, and place me back on my crossties...but please do not forget to take me off the crossties and shut my gate when you are all done grooming me.*

*Thanks for asking!  
Sincerely,  
Foxy*
