Winter 2009

Holiday Camp

We will be offering our annual Holiday Camp on Monday December 29 and Tuesday December 30, 2008 from 9 a.m. until 3 p.m. The camp is offered to 7-14 year olds at a cost of \$170 per student. Students will ride twice per day and participate in a riding exhibition on Tuesday at 1:30. We will be having loads of fun with the horses as we all recover from the holidays, so don't miss this exciting opportunity!

Working Student Program

Students interested in becoming a working student here at Highland Riding School are welcome to come from 9-12 on Saturday mornings to receive training and education. Our working student coordinator, Melissa Ellefsen, will teach students how to properly care for our facility and school horses...all while spending a fun morning at the barn! Please call the Riding School or speak to your instructor if you are interested in attending a training session.

Holiday Lessons

Our holiday session will run from December 15-January 3. Lessons will be offered Monday through Saturday and will be open sign-up, so please see your instructor or call the riding school for times available if you wish to ride. Check will be required with sign-up to reserve your time slot.

SiVa! Says

Dear SiVa!

Ever since winter began, you are covered in mud every time I come to groom you for my lesson. How will I ever get you clean enough to ride?

Yours Truly,
Winter Rider

Dear Rider,

Now that my coat is long for the winter, every time I roll in the dirt it sticks to me. Since it is nearly impossible to get me clean and white, please just focus on cleaning me where my saddle and girth will go. Also, please don't forget to clean out my hooves.

*Thanks for asking!
SiVa!*
