Winter 2011

Holiday Camp 2010

We will be offering our annual Holiday Camp on Monday December 27 and Tuesday December 28 from 9 a.m. until 3 p.m. The camp is offered to 7-14 year olds at a cost of \$194 per student. It will be two fun-filled days of horses, friends, and activities, so don't miss this exciting opportunity!

Highland Riding Logo Wear

Jackets, sweatshirts, grooming totes, and shirts featuring a silk screened or embroidered Highland Riding logo are available for order and purchase. Order forms and pictures are available in the office. Orders will be placed on Friday November 19. Be sure to get your order form in!

Introduction to Jumping

Highland Riding held its first Advanced Riders Clinic with Sarah Vernlund on October 24. The focus of the two hour session was an introduction to jumping with exercises in developing skills for jumping safely.

The four riders finished with a plan of action to improve their basic skills and will be participating in a second clinic on November 21 from 12:30-2:30 p.m.

If you think you are interested in jumping, come watch and see how we are training!

Holiday Session

Our Holiday Session will run from December 13, 2010-January 1, 2011. Lessons during this session will be open sign-up and will need to be paid for in advance. Contact your instructor for available lesson times! Please note that Highland Riding will be closed December 24 and 25, and no lessons will be offered December 27 and 28 due to Holiday Camp.

Release Form Update

Highland Riding requests that each rider/parent of rider fills out our newly updated liability and medical release forms, so that we have your most current information. New releases are located in the office; please fill one out next time you come to the barn and give it to your instructor!

Pam Says

Dear Pam,

Ever since winter began, you are covered in mud every time I come to groom you for my lesson. How will I ever get you clean enough to ride?

Yours Truly,
Winter Rider

Dear Rider,

Now that my coat is long for the winter, every time I roll in the dirt it sticks to me. Since it is nearly impossible to get me completely clean, please just focus on cleaning me where my saddle and girth will go. Also, please don't forget to clean out my hooves.

Thanks for asking!
Pam
